

"Green Cone Digester" Rebate Program 2019

The Township of Perth South is continuing its program to promote the "Greening" of the Township by composting for 2019. Residents are encouraged to participate in this initiative with the purchase of a Green Cone Digester. (The black, square composters are no longer available from the Township.) Township of Perth South residents are requested to complete this form to claim a rebate of 50% which will be applied immediately to their purchase price, with a maximum of one of each unit per household.

CONDITIONS:

1. Persons applying for consideration must be a resident or property owner in the Township of Perth South.
2. The digester must be placed on property within the Township of Perth South.
3. The Township rebate of 50% (to a maximum of one of each unit per household) shall apply to the purchase price. The digester must be purchased from the Township of Perth South.
