

# Perth South Hazardous Waste Stratford Depot

The Township of Perth South in partnership with the City of Stratford is pleased to continue to offer a Hazardous Waste Collection Program for 2023:

Perth South Residents are welcome to bring in your Hazardous waste to the City of Stratford designated Household Hazardous Waste Days events held at the Stratford Rotary Complex 353 McCarthy Rd. West on the following dates.

Materials will be accepted at the Rotary Complex on:

**Saturday May 13<sup>th</sup> 2023**

**Saturday July 15<sup>th</sup> 2023**

**Saturday September 16<sup>th</sup> 2023**

All events are from 8:00am to 2:00pm

## Accepted Materials

- Paints, varnish, solvents, caulking, glue
- Fuels, antifreeze, brake fluid
- Used motor oil and filters
- Batteries (household, rechargeable, automotive)
- Household cleaners (i.e. bleach, oven cleaners)
- Fluorescent tubes/compact fluorescent bulbs (limit 10)
- Refillable and non-refillable propane tanks

**Not Accepted Materials** PCBs, commercial, infectious or radioactive wastes

Household tips to safely dispose of hazardous waste around the house:

- Go through your kitchen cabinets, basement and garage. Remove all unwanted pesticides, cleaners, full or partial aerosols, oils, batteries, paints, compact florescent bulbs and tubes, solvents and other household chemicals.
- Make sure these products are tightly sealed and in their original containers. NEVER mix any of these materials together.
- Place them in the trunk of your vehicle and drive to the household hazardous waste depot.
- At the depot, there will be trained professionals who will receive, package, transport and store the materials safely and in compliance with all regulations.

**Identification may be required**

For more information, please call the City of Stratford 519-271-0250

Propane Tanks & Cylinders	Solvents
Stains	Varsol

The Resource Productivity and Recovery Authority supports the transition to a circular economy and a waste-free Ontario. Collection sites are available across the province for the public to drop off materials such as batteries, electronics, tires and hazardous and special products. Materials collected at these sites are reused, refurbished, recycled or properly disposed of to keep them out of the landfill, recover valuable resources and protect our environment.

Visit the **Resource Productivity and Recovery Authority's website** [www.rpra.ca](http://www.rpra.ca) to find a drop off location near you.

**Identification may be required**

For more information, please call St Marys at 519-284-2340

Or online at <https://www.townofstmarys.com/en/living-here/Hazardous-Waste.aspx>
